

Newberg Youth Football Sponsorship Program

GROW WITH US!

Local businesses, like yours, play a very important role in the growth and development of the Newberg Youth Football program. Newberg is a member of the Tualatin Valley Youth Football League, giving our 3-8th grade teams the opportunity to play opponents outside of Newberg.

The Newberg Youth Football League wants to continue to provide a quality, comprehensive football program for all who wish to participate. This year, we project to have over 150 football players (ages 8 to 14) register to play in the Tualatin Valley Youth Football League. With help from our sponsors, we will continue to grow. **On behalf of the student athletes of the Newberg Youth Football League, we would like to request the honor of your support through sponsorship of the 2011 season.** These funds will help purchase new safety equipment (helmets, shoulder pads, pants), maintain and recertify current equipment and update our practice equipment by purchasing new blocking dummies, sleds, blocking chutes and other much needed equipment.

We are also in need of some larger items which will help develop safe and proper blocking and tackling technique for our players. If you are interested in helping with larger items, or have another thought in mind we are open to suggestions.

Recognizing your support and commitment as a sponsor throughout the season is a priority to us. There are several sponsorship opportunities for you to choose from. Detailed information about the sponsorship levels and associated recognition packages are on page 2.

The players and members of the Newberg Youth Football League would deeply appreciate your support. If you would like to discuss your interest as a sponsor, please feel free to contact myself or another board member. We will be happy to answer any questions that you may have regarding the NYFA Sponsorship Program. Please feel free to take a look at the Newberg Youth Football website at www.newbergyouthfootball.com

Thank you in advance for helping us to build a positive and winning tradition in youth athletics!
